Conseil déco

Pour un rendu harmonieux et tendance, associez vos décors à un ou plusieurs panneaux unis !

Caracteristiques TECHNIQUES

Les panneaux muraux décoratifs PANODECOR sont constitués de plusieurs couches de composite aluminium, offrant un équilibre optimal entre légèreté, rigidité et planéité parfaite. Leur revêtement de haute qualité assure une surface résistante à l'humidité, durable et simple d'entretien. Les décors en impression numérique de précision sont protégés par un vernis UV haute performance, garantissant des couleurs éclatantes et une excellente tenue dans le temps.
